and that she planned to remain in Mexico City for at least one year. VELGUTH indicated that subject was no longer connected with any Mexican migratory labor program, but he failed to disclose the nature of her present employment.

According to [] subject made application for a position in the employment office of the Hunters Point Naval Dry Docks in October of 1944. Informant said it had become apparent that subject had been conniving with Mrs. URSULA HODGE IRVINE, 1833 B Jones Street, employee's training supervisor, to secure the position of assistant to Mrs. IRVINE.

The observation has been made by Confidential Source A that URSULA HODGE IRVINE and subject were well acquainted as both of them had been assigned to the Visalia, Shafter and Stockton, California area while both were employed by the Farm Security Administration as Grant Supervisors. It should here be noted that URSULA HODGE IRVINE is the wife of CHARLES LOVELL IRVINE, the business manager of the Labor Herald, the official organ of the CIO, and known active leader in the CPA of San Francisco.

The personnel file of FAITH CRAIG at the Farm Security Administration Regional Office, San Francisco, California reflects that in April, 1940 subject commenced employment as Assistant Rural Rehabilitation Supervisor (Migratory Labor Camp with headquarters at Stockton, California). On May 5, 1941 she was promoted to Grant Supervisor and on February 23, 1942 obtained the position of Senior Grant Supervisor. In August, 1942 subject was laid off temporarily due to curtailment of FSA funds. As of September 4, 1942 subject was appointed to the position of supervisor in charge of the FSA duties at Chowilla, California. On January 21, 1943 subject resigned without prejudice and her reason for this action was given as "illness." At the time of her resignation subject was the Senior Grant Supervisor with the Regional Office of the Farm Security Administration at San Francisco, California and her duties in that capacity were described as making grants to migratory agricultural workers in need, serving if necessary where grant offices were closed, supervises the acceptance of investigations and recording of all grant applications, determining the eligibility of applications.

The applications for employment completed by the subject at the Farm Security Administration Office, 30 Van Ness, and at the Hunters Point Naval Dry Docks reflect the following personal history information:

Re: DOROTHEA FAITH CRAIG
[SECURITY MATTER - C] (S)

Dear Sir:

Reference is made to Bureau letter dated October 24, 1945, Bureau File No. 100-339289, regarding the above entitled case. (u)

Please be advised that a case is being opened, and the Bureau will be informed of the results of the investigation of the subject. (S)

Your attention is respectfully directed to the report of SIS No. 86, dated at Mexico, D. F., August 15, 1945, entitled COMISION DE AYUDA A LA JUNTA SUPREMA DE UNION NACIONAL (Com-mission to Aid the Supreme Board of National Union), now known as UNION NACIONAL ESPANOLA (Spanish National Union) - SECURITY MATTER - C, Mexico City File No. 100-106, and especially to page 23 thereof, which indicates that the subject (FAITH CRAIG) was a member of the committee aiding this organization. (S)

SIS No. 86 also advised me on July 18, 1945, by memorandum, that FAITH CRAIG had recently been admitted to the Working Committee of the ANGLO-AMERICAN SOCIETY TO AID SPANISH DEMOCRACY. He stated that Mrs. Craig is from Los Angeles, California, and arrived in Mexico in the early part of 1945; that she claims that her husband is in the armed forces of the United States and that she came to Mexico in order that her child might be born here. SIS No. 86's memorandum further advised that Mrs. CRAIG was residing at Paris No. 7, Mexico, D. F., and is acquainted with JUAN VICENS, who is well known to this office as a leading Communist. According to SIS No. 86, VICENS regards Mrs. CRAIG as a trustworthy Communist but advised that she has not admitted to him (VICENS) that she is a member of the Communist Party. (S)

MISCELLANEOUS

Subject's daughter, CAROL PETRIC, resides with the subject at 915 Hamilton Street, San Francisco, and is about nine years old.

II. CONNECTION WITH COMMUNIST PARTY

Mr. H. J. DUNLEAVY, described above, advised SA WILLIAM B. DILLON on January 17, 1955, that he has no information regarding Communist Party or Communist Party front affiliations on the part of the subject and indicated that it was not likely that any such information would come to his attention regarding subject's background.

San Francisco T-1, of unknown reliability and an admitted Communist Party member from 1935 to 1939, advised on April 15, 1942 that DUNLEAVY, in about 1937, admitted to T-1 that he had been a Communist Party member in 1935.

Further, records of San Francisco T-2, another governmental agency, reflect that San Francisco T-3, described by T-2 as a reliable informant, advised a representative of T-2 in January, 1953, that DUNLEAVY was a Communist Party member in Seattle, Washington, in 1937.

III. INTERVIEW WITH THE SUBJECT (c)

On March 9, 1955, the subject was talked to at her home by SAs JAMES B. BENNETT and JAMES E. TARLETON, JR., who advised her that they wished to interview her regarding her past Communist Party and front group activity. (c)

Subject stated that she would have nothing to say to the agents and refused to discuss the matter further. (c)

Subject is not being recommended for the Security Index since, although not co-operative for an interview, there is no information that she was a Communist Party member after March, 1947, nor that she associated with any front group after November, 1948. However, she was present at a "Daily People's World" benefit party in July, 1949. (C)

WOMEN'S INTERNATIONAL LEAGUE FOR PEACE AND FREEDOM (WILPF)

In a leaflet dated January, 1962, WILPF described itself as follows:

"What is the WILPF?"

"It is the Women's International League for Peace and Freedom, an international, interracial organization striving for peace and freedom by non-violent democratic methods. It was founded in 1915, during the first World War, and its first president was JANE ADDAMS, the first American woman to win the Nobel Peace Prize.

"How Does it Work?"

"It keeps its membership informed on current problems through its legislative office in Washington. It issues its own pamphlets, study kits, fact sheets, and cooperates with like-minded organizations. WILPF has consultative status at the United Nations on a national and international level.

"What Does it Do?"

"WILPF, through its local branches, sponsors public discussion on such topics as disarmament and world law, nuclear testing, civil defense, Berlin, civil rights, etc. Through its Peace Action Committee, WILPF initiates peace walks, vigils, and meetings, as an organization and with other peace groups. Peace education for children is a special concern of WILPF.

"How Is it Set Up?"

"The Women's International League for Peace and Freedom has its national headquarters at JANE ADDAMS House, 2006 Walnut Street, Philadelphia 3, Pa., where its monthly paper, FOUR LIGHTS, is published. SAN FRANCISCO CITIZENS COMMITTEE
TO PRESERVE AMERICAN FREEDOMS
(SFCCPAF)

A source advised on April 7, 1960, that a San Francisco affiliate of the Citizens Committee to Preserve American Freedoms (CCPAF) had been established at a meeting held in San Francisco on April 4, 1960. The source advised that the San Francisco affiliate, to be known as the San Francisco CCPAF, would carry out in Northern California the program of the CCPAF.

The last meeting of the SFCCPAF was held March 11, 1966, and its sustainers and mailing lists were turned over to the San Francisco Regional Office of the National Committee to Abolish the House Un-American Activities Committee (NCAHUAC) according to a second source on March 11, 1966.

CITIZENS COMMITTEE TO PRESERVE AMERICAN FREEDOMS

The Guide to Subversive Organizations and Publications, revised and published December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, contains the following on Page 43 concerning "Citizens Committee to Preserve American Freedoms":

1. "The (Communist) party's front operations in the Southern California District today are *** confined to four major organizations, "which include the Citizens Committee to Preserve American Freedoms.

"The Citizens Committee to Preserve American Freedoms * * * specializes in propaganda aimed at abolishing the Committee on Un-American Activities and discrediting the Federal Bureau of Investigation. Created in Los Angeles in 1952, the front organization is run by Frank Wilkinson, an identified Communist who recently resumed the full-time paid post of executive secretary after approximately a year's leave of absence to assist in similar campaign by another front in New York City, the Emergency Civil Liberties Committee.

"When the Committee on Un-American Activities held hearings in Los Angeles September 2-5, 1958, to inquire into the nature of the party's recent reorganization in California, the Citizens Committee to Preserve American Freedoms sponsored a series of public meetings to protest the hearings and the very existence of the committee. Communists subpoenaed as witnesses were guests of honor.

"At this time, leaders of the party's Southern California District were mobilizing Communists in the area for participation in an intensified campaign to abolish this committee of Congress. How the Citizens Committee to Preserve American Freedoms served the Party in this effort was revealed by (Communist Party) District Chairman Dorothy Healey in a report to the Party's Southern California District Council on September 21, 1958. Mrs. HEALEY declared that the party preferred public protest meetings to be held by the Citizens Committee to Preserve American Freedoms rather than under party auspices because Communists could attend without danger of being exposed as members of the party. She also noted that Communists scheduled as congressional committee witnesses could not appear beforehand at openly Communist rallies without creating the impression that the party was conspiring with witnesses to withhold information from the committee."

(Committee on Un-American Activities,
House Report 259 on the Southern California
District of the Communist Party, April 3,
1959, pp 7 and 8.)

NATIONAL COMMITTEE TO ABOLISH
THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

The "Guide to Subversive Organizations and Publications" issued December 1, 1961, by the Committee on Un-American Activities, U.S. House of Representatives, Page 115, contains the following citation regarding the National Committee to Abolish the Un-American Activities Committee (NCAUAC).

"Cited as a 'new organization' set up in the summer of 1960 to lead and direct the Communist Party's 'Operation Abolition' campaign. Seven of the national leaders of this group have been identified as Communists.

"(Committee on Un-American Activities, House Report 1278 on the Truth About the Film, 'Operation Abolition', Part 1, October 3, 1961, P. 5)"

A source has advised that the NCAUAC changed its name on March 3, 1962, to include the word "House" in its name, thereby becoming known as the National Committee to Abolish the House Un-American Activities Committee (NCAHUAC). A national meeting of this organization was held in Chicago, Illinois, on April 27, and 28, 1963. (e)

A second source advised on May 9, 1966, that as of that date the NCAHUAC continued to function with headquarters at 555 North Western Avenue, Los Angeles, California.
